1. About CERTKO

CERTKO is a global regulatory intelligence, product compliance and certification information platform owned and operated by Instacertify Labs Private Limited ('Instacertify'). CERTKO provides information, guidance, search tools and digital resources relating to product standards, testing, certification and regulatory compliance. CERTKO is not a certification body, testing laboratory or government authority unless expressly stated.

2. Scope

This Privacy Policy explains how personal information is collected, used, stored, shared and protected when you use the Platform.

3. Information We Collect

Contact details, account information, organization details, communications, technical data, cookies, usage analytics and information voluntarily submitted.

4. Purpose of Processing

To operate the platform, respond to enquiries, provide services, improve user experience, comply with legal obligations, prevent fraud and maintain security.

5. Legal Basis

Processing may be based on consent, contractual necessity, legitimate interests or legal obligations depending on applicable law.

6. Cookies

CERTKO uses cookies and similar technologies to improve functionality, analytics and security. Users may manage cookies through browser settings.

7. Data Sharing

Information may be shared with service providers, laboratories, certification partners or regulators only where necessary and subject to contractual or legal safeguards.

8. International Transfers

Data may be processed across jurisdictions with appropriate safeguards.

9. Security

Administrative, technical and organizational safeguards are implemented to protect information.

10. Data Retention

Information is retained only as long as necessary for legitimate business or legal purposes.

11. Your Rights

Where applicable users may request access, correction, deletion, restriction, portability or object to processing.

12. Children's Privacy

The Platform is not intended for children under the applicable legal age.

13. Changes

This Policy may be updated periodically.
